COMPANY OVERVIEW

D&F Logistics, LLC is a Service-Disabled Veteran-Owned Small Business providing nationwide freight brokerage and logistics coordination services. We support federal agencies, prime contractors, and commercial clients by arranging compliant, reliable, and time-sensitive transportation solutions. Our operations are structured around regulatory compliance, disciplined execution, and responsive communication.

REPRESENTATIVE EXPERIENCE

- Coordinated multi-state freight movements for commercial shippers
- Managed time-sensitive deliveries with zero reported safety incidents
- Supported recurring lanes with consistent dispatch coordination
- Maintained regulatory compliance in accordance with federal transportation standards

NAICS CODES

Primary NAICS Code:

- **488510** — Freight Transportation Arrangement

Secondary NAICS Codes:

- **484121** — General Freight Truckload (FTL)
- **484122** — General Freight Less-Than-Truckload (LTL)
- **488999** — All Other Support Activities for Transportation

COMPLIANCE STATEMENT

D&F Logistics, LLC operates in accordance with Federal Motor Carrier Safety Administration regulations and coordinates freight transportation exclusively with properly authorized and insured motor carriers. All brokerage activities are conducted within applicable federal and state regulatory frameworks.
